## **FAQ**

### **1. Do you use bots or automation for growth?**

**Answer:** Never. My growth method is 100% manual, safe, and organic. I engage with real, targeted users only.

### **2. How many followers can I expect daily?**

**Answer:** Growth varies by niche and content quality, but most clients see consistent, steady daily follower increases from targeted audiences.

### **3. Do I need to give you my Instagram password?**

**Answer:** No, password is NOT required. I use Instagram's safe methods—manual engagement from my end and insights from you.

### **4. Will my account be safe during the service?**

**Answer:** Yes. I strictly follow Instagram's guidelines. No automation, no spam, no risky actions—your account stays safe.

### **5. What do you need to start?**

**Answer:** I need your Instagram username, target audience details (niche, countries, competitors), and posting schedule if you already post content.

## **Your Questions**

1. How soon will I start seeing results from your Instagram growth service?
2. Can you target specific countries, niches, or competitor audiences?
3. Do I need to post regularly for the growth to work effectively?
4. Will this service work for a brand-new Instagram account?
5. Can I continue using my Instagram normally while you grow it?
